

unique identifier in the above register. Instructions on how to create a PIC can be found on this [page](#). Economic operators already registered in the Participant Register shall reuse their existing PICs when preparing tenders in e-Submission.

A tender received after the time-limit for receipt of tenders will be rejected. The submission receipt provided by e-Submission with the official date and time of receipt of the submission (timestamp) constitutes proof of compliance with the time-limit for receipt of tenders⁴.

Tenderers must ensure that their submitted tenders contain all the information and documents required by the contracting authority at the time of submission as set out in the procurement documents.

The following documents shall be dated and signed, either by hand or by applying a qualified or an advanced electronic signature based on a qualified certificate, by an authorised representative of the signatory:

- Declaration(s) on Honour on exclusion and selection criteria (template available in the tender specifications).
- The submission report (a document generated by e-Submission and listing all the documents included in the tender, to be signed by the tenderer or the group leader in case of a joint tender).

When the Declaration(s) on Honour and/or the submission report are signed by hand, a scanned copy must be attached to the tender in e-Submission.

After submitting a tender, but before the deadline for receipt of tenders, a tenderer may definitively withdraw its tender⁵, or withdraw it and replace it with a new one⁶. A withdrawal receipt will be provided by e-Submission as proof of withdrawal.

All costs incurred for the preparation and submission of tenders are to be borne by the tenderers and will not be reimbursed.

2. Legal effects of the invitation to tender and submission of a tender.

This invitation to tender is in no way binding on the contracting authority. The contracting authority's contractual obligation commences only when the contract with the successful tenderer is signed by both parties.

Up to the signature of the contract the contracting authority may cancel the procurement procedure without tenderers being entitled to claim any compensation. Any such decision must be substantiated and tenderers notified.

⁴ If no submission receipt is received in reasonable time after submission, please contact the e-Submission Helpdesk (see contact details in the above referred e-Submission Quick Guide) as soon as possible.

⁵ A submitted tender can be withdrawn directly in the "Procurement/My Submission(s)" area in the F&T Portal. For detailed instructions on how to withdraw a tender please consult the above referred e-Submission Quick Guide.

⁶ To submit a new version, the tenderer must create a new tender in e-Submission and include all the information and documents required in the procurement documents with the submission of a tender, even if some of them have already been included in the replaced tender.
