

Louisville Jan 7th 1862.

Hon. Joseph Holt.

My Dear Sir.

My much esteemed friend,
Mr. A. Y. Cleggitt, is desirous of obtaining
an appointment as Pay Master or as Commis-
sary of Subsistence in The U.S. Army.

Mr. Cleggitt has long been a resident of
Louisville, and I know him to be a man
of strict integrity, and is also possessed of
fine business capacity and of industrious
habits. In a word he is altogether worthy
of public and private confidence.

If you can be of any service to him in
attaining his object you will much
oblige

Yours Truly
W. H. Bullock
