

that can prove you it and  
from which you can imagine  
and convince yourself of the  
truth of my words. My first  
son who is attending a

Long Island is named in  
your honor.

Inclosing this letter, I  
really hope and wish from  
the dept of my heart that

greatest honor of seeing you  
and saying to you one  
word is a bliss of voice.
