

## B.S. Mechanical Engineering - Energy Engineering Specialization Degree Requirements

| Degree Requirements                                                                                                                    | Credit Hours |
|----------------------------------------------------------------------------------------------------------------------------------------|--------------|
| University Core Curriculum Requirements                                                                                                | 39           |
| Requirements for Major in Mechanical Engineering                                                                                       | (9) + 87     |
| Basic Science                                                                                                                          | (6)+9        |
| CHEM 200, CHEM 201, CHEM 210                                                                                                           | (3)+4        |
| PHYS 205A, PHYS 205B, PHYS 255A, PHYS 255B                                                                                             | (3)+5        |
| Mathematics Analysis                                                                                                                   | (3)+14       |
| MATH 150, MATH 250, MATH 251, MATH 305                                                                                                 | (3)+11       |
| ENGR 351                                                                                                                               | 3            |
| Required Engineering Courses                                                                                                           | 17           |
| ENGR 296 or ME 222                                                                                                                     | 2            |
| ENGR 250, ENGR 261, ENGR 335, ENGR 350A, ENGR 370A                                                                                     | 15           |
| Required ME Courses                                                                                                                    | 47           |
| ME 102, ME 300, ME 302, ME 309, ME 312, ME 336, ME 401, ME 407, ME 411, ME 475, ME 495A, ME 495B                                       | 32           |
| Elective Energy Courses <sup>1</sup>                                                                                                   | 12           |
| Mechanical Engineering Courses. Must be from 400-level ME courses, or may be from IT 470A or a 400-level course used for a Math minor. | 3            |
| Total                                                                                                                                  | 126          |

<sup>1</sup> Approved electives: ME 400, ME 405, ME 406, ME 408, ME 410, ME 435, ME 440, ME 446, ME 450, ME 459, ME 493

## Energy Engineering (for non-Mechanical Engineering) Minor

| Degree Requirements | Credit Hours |
|---------------------|--------------|
| Required ME Courses | 6            |
