| A. Approval of Minutes: | November 16, 2009 meeting minutes approved.                                                                                                                                                                                                                                                                                    |
| B. Announcements:       | <ul style="list-style-type: none"> <li>a. Dr. Kman new Clerkship Director for DOC-1.</li> <li>b. Dr. Khandelwal new Assoc Director of Med 3-4.</li> <li>c. Faculty Development brochure "Teaching for Optimal Patient Care with Electronic Medical Records" printed and available for distribution to dept faculty.</li> </ul> |

### II. Business

- |                       |                                                                                                                                                                                                                                                                    |                                                                                                                                                         |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| A. CAPS presentation: | The Clinical Assessment and Problem Solving (CAPS) program representatives gave an overview of their current Med 1-2 curriculum (handout). They listed some suggestions for how CAPS could function in the 3rd and 4th years, and opened the floor for discussion. | CAPS will take information gathered and discuss at future APC meetings. They will return february or march to the Med 3-4 APC meeting to propose ideas. |
